

HLT33115 Certificate III in Health Services Assistance (Assisting In Nursing Work in Acute Care)

Completing this course will give you the necessary skills to begin your career in the acute healthcare environment

Learn the skills to assist with the delivery of nursing care to clients in an acute setting alongside Registered Nurses. The Certificate III in HSA training involves a mixture of theory and practical hands-on training with current industry equipment and documentation before the commencement of your work experience.

You will also receive support and mentoring by highly experienced Trainers / Assessors. Upon completing this course and gaining the qualification you will be confidently ready to begin your career in the acute health services setting!

Career Outcomes

On completion of your qualification you have the possibility of securing the following career outcomes:

- Assistant in Nursing
- Orderly
- Ward Assistant
- Patient Support Assistant
- Ward Clerk
- Nurse's Aide
- Support Worker

Venue

Classes will be held at 97 Edward Street, Perth. The venue is a 5 minute walk from Claisebrook Train Station.

Course Delivery / Duration

This course is delivered in a classroom environment through face-to-face teaching. The duration of classroom delivery is 10 weeks. Work experience placement is in addition to this.

Classes will be held 4 days per week (Tue, Wed, Thurs, and Fri) from 9am-4pm.

Work Experience Placement

You are required to complete a minimum of 120 hours practical placement. Generally your work placement will be completed on conclusion of the classroom delivery. My Flex Training will organise your work experience for you unlike some other providers.
