

CHC33015 Certificate III in Individual Support (Ageing, Home & Community)

Personal care workers make a positive impact to the lives of older people.

Our course provides training to workers looking to work in residential aged care facilities and / or community homes or day care centres. This is the qualification you need to launch your career as a Care Worker. Studying your qualification through us ensures that you will learn the knowledge, skills and behaviours required to be confidently job ready.

You will gain practical hands-on experience during this course in areas such as: providing personal care, assisting with mobility needs, identifying and reporting hazards and much more. It will equip you with the skills and knowledge needed to gain employment within the home care industry.

The Qualification we offer is two specialisations in one, meaning you will be able to work in both the Aged Care and Community Care sectors once qualified!

Career Outcomes

On completion of your qualification you have the possibility of securing the following career outcomes:

- Aged Care Support Worker
- Personal Care Support Worker
- Personal Care Assistant
- Multi Skilled Care Worker
- Community Care Worker
- Care Companion
- Personal Care Attendant
- Respite Care Worker
