## Choose My Flex Disability as your NDIS Provider

We strive for a world without barriers...

# We work with you to achieve your goals of daily living!

Working with people with disability and their support network is a crucial part of what we do at My Flex Health International. We are committed to delivering quality support services to people living with disability, their families, and carers.

## Our Services:

We offer an extensive range of services with a person centred approach and tailored to each clients' individual goals and needs:

Community nursing care (experienced in supporting clients of all ages)

Assist with personal care and activities of daily living

Social support

Assist with domestic activities

Home and gardening maintenance

Transportation

Goal directed care and service planning

We can supply the following supports to NDIS participants:

Assist personal activities

Assist-travel / transport

Community nursing care

Development-life skills

Personal activities high

Our Support Workers are required to obtain the NDIS Workers Screening Check, National Police Clearance, Working with Children Check, Criminal Screening Card and Influenza Vaccination.

They complete mandatory training on Manual Handling, Medication Competency, Infection Control, Food Safety and Temperature Control, COVID-19 Infection Control, PPE and Hand Hygiene and all Support Workers are required to complete CPR, First Aid and NDIS Orientation.

We offer client specific training by a Registered Nurse to our workers and includes:

Epilepsy management

Diabetes management

Dysphagia

Enteral feeding and PEG management

Continence management and catheter care

Stoma management

Respiratory support

Wound and pressure care support
