

NAVIGATING COMMUNITY CARE SERVICES

Do you find accessing and navigating My Aged Care and Home Care Packages confusing and overwhelming? Are you looking for expert advice on disability, private or aged care services?

We can assist and advise you with information and personal support to make decisions and navigate your journey through accessing and implementing funded or private services.

We are here to help and can offer advice on:

-  Accessing My Aged Care
-  Applying for government funding to support your needs
-  How an ACAT assessment can be arranged at home
-  How to choose a home care package provider
-  Accessing home care and nursing services for DVA Veterans
-  What additional services DVA Veterans are eligible for
-  What your options are with managing your NDIS fund
-  What help you can receive on discharge from a hospital stay
-  Private services available - from gardening to complex nursing care
-  Client directed care for a person living with Dementia and their carer or family
-  Clinical nursing services at home, from health checks to complex nursing care
-  Social support and respite for socially isolated clients and carers
-  Care assisted travel services

If you require a group information session at your local organisation, residential village, health centre or would like a private visit in your home to discuss your options please get in contact with our friendly Home Care team today.
