

IHP SERVICES FOR PATIENTS ON DISCHARGE

Now you can trust a Government approved Home Care Service provider to help your patients transition from hospital to home...

WE OFFER QUALITY SERVICES TO YOUR PATIENTS INCLUDING:

Transport - Collecting patient from hospital ward and transporting home

Home settling service - Check essential grocery supplies in the home and replenish if necessary e.g. shop for fresh bread and milk

Medication pick up - From hospital pharmacy or local pharmacy on supply of scripts

Patient support at home - Personal care, medication assistance, domestic assistance, shop by list as requested

My Flex Home Care support workers hold current mandatory competencies and are immunised against Influenza and COVID-19.
