My Flex Care Assisted Travel Service will enable your family member or loved one to travel with an experienced Nurse or Support Worker to any appointment or outing.

Your loved ones are in
safe hands with us...

We understand concerns around unwell, frail or disabled travellers making the journey...

Western Australians can now be confident that a family member or loved one can experience a happy and safe trip to a medical appointment, family outing or any local trips without the need of a family member in attendance.

What is Care Assisted Travel?

Our trusted travel companions include Nurses and Support Workers who will assist your loved one from the beginning of the trip through to arrival and hand over at destination. During the journey they will assist with personal care, mobility, medication assistance and social support if needed. The companion will assist your loved one from start to finish, we are there with them every step of the way. Our Care Assisted Travel Services can be booked from a minimum of 1 hour.
